6:00pm Dinner & Business Meeting

AgroLiquid
3055 W M-21 | St. Johns, MI 48879

Silent Auction – Donations welcome!

Bylaw and constitutional changes will be considered.

Help us “Fill the Truck” with non-perishable food items, a service project with the Michigan Farm Bureau Agent Charitable Fund.

RSVP by September 19 by scanning the QR code.
Additional Information

2022 Michigan FFA Alumni Service Project
Join us in partnership with the Michigan Farm Bureau Agent Charitable Fund to “Fill the Truck” with non-perishable canned goods. The affiliate to collect the most canned goods will receive a $250 reward to use for local projects supporting students and agriculture education.

What is the Michigan Farm Bureau Agent Charitable Fund?
The Farm Bureau of Michigan Agent Charitable Fund (ACF) is a donor advised fund within the Michigan Foundation for Agriculture. It serves as a fund for Farm Bureau agents, clients and partners to contribute to charitable causes throughout Michigan. Following the purpose and vision of the Michigan Foundation of Agriculture, the fund grants monies to provide food, build agriculture awareness, educate and help citizens throughout the state. They hope to END HUNGER IN MICHIGAN! For more information, check out the website here: www.endhungerinmichigan.org.

Is pre-registration required?
Pre-registration is not required but is appreciated to help us plan for food and seating. Dinner tickets are $25 if you register online (forms.gle/B58J7VUqam6z2AAY6) by September 12. If you have a challenge registering online, please contact Burt Henry at bhenry6265@gmail.com or 989-640-2233.

Can we bring anything?
Donations for the scholarship auction are welcome!

Where do funds raised in the Silent and Virtual Auctions go? The Michigan FFA Alumni & Friends gives out several scholarships throughout the year to FFA members at chapters with an active Alumni organization. Scholarships go to support student attendance at the leadership conferences, Washington Leadership Conference, the Agriscience Education CDE contest and to students pursuing secondary education at Michigan State University.

How do I get to the AgroLiquid and where do I park?
3055 W M-21 | St. Johns, MI 48879
If using Google Maps, use the shipping address: 1130 S Dewitt Rd. There is ample parking in front of the building.

Can I participate virtually?
The business portion of the meeting will be streamed virtually. For more information, please visit our Facebook page (www.facebook.com/michiganffaalumni).
