Participants in junior high contests should not be judged differently for wearing or not wearing a jacket.*

If warranted, deductions for non-compliance with official dress guidelines will be determined by the contest chair and enforced equally by all judges. The chair may make a deduction of 0, 2, 5, 7, or 10 points.

## ***CONTEST PERSONNEL***

### ***Judges***

A total of three competent and unbiased judges will be provided.

Educators and industry representatives are recommended.

During the contest, the judges will seat themselves apart from one another in different sections of the room.

### ***Contest Chair***

The contest chair will monitor the contest room and assist the judges as they

compile their final placing.

The contest chair will adequately prepare the judges before the event competition.

### ***Timekeeper***

The timekeeper should use a stopwatch and the guidelines provided on the Michigan FFA website. The timekeeper should also use the 8 ½" x 11" cards available at <https://michiganffa.org/awards/leadership-contests/>

### ***Holding Room Monitor***

The holding room should be monitored at all times.

### ***Prep Room***

The preparation room must be monitored at all times.

The preparation room should be in a location that minimizes distractions for the participants.

## ***PROCEDURE***

### ***Team Makeup***

Each team will be composed of 5-7 active members. Each team will be organized to have a member acting as chair and as secretary. The remaining members will serve as regular members.

### ***Items of Business***

Abilities to be demonstrated and items of business to be used in district, regional, and state contests will be furnished to the contest chair. Items of business will be related to one of the areas of the Program of Activities: Growing Leaders, Building Communities, or Strengthening Agriculture.

### ***Contest Procedures***

Teams will draw for order of competition. The contest chair will introduce each team in order of drawing.

Teams will be held in a holding room until they are to appear in the prep

room. Once the team is taken to the prep room, the adult contest chair may read the problem to the group and team members may ask for the definition of a word related to the topic (which is not parliamentary procedure related). Then the team will be given five minutes to study the item of business and parliamentary procedure abilities and prepare before entering the contest room.

No materials may be brought into the prep room.

Blank paper will be provided in the prep room for notes, which may be taken into the contest room.

Team discussion in the prep room is not allowed.

A team may be disqualified if anyone other than the contest chair, holding room or prep room monitor enters the holding room or the prep room at any time during the competition.

Upon finishing the prep time, an adult will lead the team to the contest room. Each team will be given the contest room copy of the item of business and abilities to demonstrate (which is the same as the one seen in the prep room).

## **Presentation**

Prior to the presentation the team should introduce:

1. Team members
2. FFA Chapter competing
3. Items of business
4. Abilities to Perform
5. ***Immediately proceed with, "Timekeeper, we are ready to begin our presentation," or "Honorable Timekeeper, we are ready to begin our presentation."***

The team demonstrating shall assume that a regular chapter meeting is in progress and new business is being handled on the agenda. The chair shall start the presentation with 1 tap of the gavel and by saying, "Is there any new business?"

Because the meeting opens during new business, teams will not receive a motion to suspend the rules of opening and closing ceremonies or reading of reports.

Each team will be requested to demonstrate the type of business conducted at a typical chapter meeting with debate and solving the problem (planning

the activity well) being very important parts of the presentation.

***At the conclusion of the demonstration, the president should conclude their presentation with, “Timekeeper, this concludes our presentation,” or “Honorable Timekeeper, this concludes our presentation.”***

As of May 2023, the National FFA Board of Directors approved the following language for use in addressing officers. **This additional terminology is approved for use in all Michigan FFA Leadership Development Events. If used correctly, full points should be awarded.**

- In addition to upholding the tradition of using “Mister Officer Position”/“Madam Officer Position,” the option of using “Officer Position (Last Name)” may be considered for use when addressing officers.
- Examples of approved terminology:
  - “Mister President” or “President Barnum”
  - “Madam Vice President” or “Vice President Gusa”

## ***Abilities***

During the presentation, the five abilities listed on the sheet must be demonstrated.

Overlapping required skills within one motion is permissible. Teams may use their discretion to pass or fail the abilities to demonstrate. Full points can be awarded to teams who carry out the rules of the ability in either format correctly.

***At the district contest, any member may demonstrate any ability. At the regional and state contests, abilities will be randomly assigned to team members.***

Judges and contest chairs need to refer to the provided seating diagram to determine ability assignment. The seating diagram will contain three charts, one for each of the following scenarios:

<b><i>NUMBER OF TEAM MEMBERS</i></b>	<b><i>ABILITY ASSIGNMENT</i></b>
Five-person team	Each member <b><i>including</i></b> the secretary will complete one ability. <b><i>The extra ability will randomly be assigned to a seat to be completed by a member other than the secretary.</i></b>

Six-person team	Each member <b>including</b> the secretary will complete one ability.
Seven-person team	Each member <b>except</b> the secretary will complete one ability.
<i>Team chairs will not be assigned an ability.</i>	

Team participants will not be informed of their required ability until they enter the contest room, take their position, and are directed by the chair to turn the item of business over prior to introduction of the judges. No additional time for preparation will be provided to review the abilities.

Each team will be asked to demonstrate five of the following abilities (the actual abilities to perform will be written on the item of business sheet given to the team in the prep and contest room).

All questions must pertain to the 18 abilities identified in this scoring guide.

Questions must be consistent with the current contest level. (Example: Questions about the motion to reconsider may not be asked at districts)

Judges should be consistent by directing questions in the same manner to each team.

Only the team member which is asked to answer the question may respond for points.

The question period will not be timed.

## Exam

At the state semi-finals and finals, thirty minutes will be provided for team members to complete a 20-question exam on parliamentary procedure. This exam will be completed by each individual on the team and the mean score (rounded to one-tenth of a point) will be provided to the judges after the last team presentation.

Participants must report to the holding room at the time listed in the convention schedule. If all teams are present before the listed time, the exam may start early. Teams that fail to show up on time will not be allotted extra time to complete the exam.

## Minutes

At the conclusion of the question period, the secretary will be given 5 minutes to finish the minutes. A timekeeper will announce when the five minutes is finished.

Reading of the secretary minutes at the end of the performance is not allowed.

Shorthand and styles as described on the guide to grading the secretary's minutes may be used.

The authority for the abilities will be *Robert's Rules of Order 12<sup>th</sup> Edition* while the *Official FFA Manual* and the *FFA Student Handbook* will be the authorities for the remainder of the contest.

Before scores are submitted, the contest chair will have the judges confer after all presentations are finished. During this time, judges may only discuss the abilities performed and must come to an agreement on the correctness of demonstrated abilities.

## ***TIME***

The timekeeper will record the length of the presentation. This time will be reported to the judges. The exact total minutes and seconds must be recorded showing undertime or overtime for which deductions will be made.

## Determining Awards

Before scores are submitted, the contest chair will have the judges confer after all presentations are finished. During this time, judges may only discuss the abilities performed and must come to an agreement on the correctness of demonstrated abilities.

After scoring presentations, each judge will use their total score to rank the teams numerically without consultation among judges. All judges' rankings for each team will then be totaled together. The winner will be the team whose total of rankings is the lowest (low point score method of selection).

District and regional teams will be rated **gold** or **silver**. State semi-finals

teams will be rated **silver** or **bronze**. State finals teams will be rated **gold** or **silver**. The top team and an alternate will be selected to move on to another contest level.

Placing and awards shall be determined utilizing the Guide to Ranking Teams and General Rules Governing Michigan FFA Leadership Contests.
